<input type="checkbox"/> Custom							

*We use food grade oil-based ink compliant with FDA standards. Please note that soy-based ink is no longer an option.

** For effective printing area, please reserve margin of 0.2 inch minimum around edges.

***We do not charge the cost of making printing plates if customers choose to co-brand with Trellis Earth. Otherwise, there is a minimum printing plate charge of \$750.00.

Resin Selection

Bio-compostable (ASTM 6400), transparent

Bio-compostable (ASTM 6400), colored^①

Bio-degradable, semi-opaque

Bio-degradable, colored^①

Order Quantity

	Quantity per delivery	Quantity per year	Minimum Order Quantity ^②
Initial Order			
Recurring Order			

① For colored bags, please allow minimum of 1.6 mils in thickness, and minimum production quantity of 1 million bags.

② Production of custom printing requires minimum 250,000 initial order.

I have enclosed with this inquiry a digital image of the bag(s) I am inquiring about.

I will send actual bags in mail for price quote.

Additional comments: (i.e.: weight capacity, bottom seal vs. side seal...)
